

FIGHTER (LEVEL 1)

Noble at heart, and fiercely loyal to his friends, Valeros nevertheless hides such sentiments under a jaded and crass demeanor, frequently observing that there's nothing better than ending a day with an evening of hard drinking and a night of soft company.

“For the scar I’ll forgive you,
for the spilt drink I’ll have your heart.”

Valeros was born on a quiet farm in Andoran, and just a month before a marriage of convenience to a local farmer's daughter could lock him into place, Valeros came to the realization that the door to a storybook life of adventure was at last closing for good. Seized by a sudden, desperate need for a larger life than cattle and corn, Valeros packed quietly and left in the middle of the night. In the years since, Valeros has come a long way from the wide-eyed young man who sought only the joy of exploration, and maybe a pretty, worldly girl or three to regale with his stories. After acting as hired muscle for dozens of different employers, Valeros finally realized that the only way to keep from getting blamed for things which weren't his fault was to join the Pathfinder Society, traveling with those who properly appreciated him and letting those who didn't fall by the wayside. And if some of those companions happen to be pretty women, all the better.
