### SPECIAL ABILITIES

**Canter** Reiko has been trained to read people's true intentions. Anyone who attempts to use Bluff to deliver a secret message to Reiko gains a +5 bonus on his Bluff check. When Reiko attempts to intercept a secret message using Sense Motive, Reiko gains a +5 trait bonus on the attempt.

**Flash Powder** This coarse gray powder ignites and burns almost instantly if exposed to flame, significant friction, or even a force such as throwing it against a floor (a standard action). Creatures within the 10-foot-radius burst are blinded for 1 round (Fortitude DC 13 negates).

**Ki Pool** By spending 1 point from her *ki pool*, Reiko can make one additional attack at her highest attack bonus, but she can do so only when making a full attack. In addition, she can spend 1 point to increase her speed by 20 feet for 1 round. Finally, she can spend 1 point from her *ki pool* to give herself a +4 insight bonus on Stealth

“The spider waits for its prey to come to its web.”

checks for 1 round. Each of these powers is activated as a swift action.

**Kusarigama** This double weapon has a single sickle held in the off-hand attached by 10 feet of fine chain to a weighted metal ball, and has the grapple, monk, reach, and trip weapon qualities.

**Light Steps** As a full-round action, Reiko can move up to twice her speed, ignoring difficult terrain, across any surface, no matter how much she weighs, and must end her move on a surface that can support her normally. When moving in this way, Reiko ignores any mechanical traps that use a location-based trigger, does not take damage from surfaces or hazards that react to being touched, nor does she need to make Acrobatics checks to avoid falling on slippery or rough surfaces.

**No Trace** The DC to track a ninja using the Survival skill increases by +2. In addition, her training gives her a +2 insight bonus on Disguise skill checks and on opposed Stealth checks whenever she is stationary and does not take any action for at least 1 round.

**Shadow Clone** As a standard action costing 1 *ki* point, Reiko can create 1d4 shadowy duplicates of herself as the *mirror image* spell (CL 7th).

**Smoke Pellet** This small clay sphere contains two alchemical substances separated by a thin barrier. When you break the sphere, the substances mingle and fill a 5-foot square with a cloud of foul but harmless yellow smoke. The smoke pellet acts as a smokestick, except the smoke only lasts for 1 round before dispersing. You may throw a smoke pellet as a ranged touch attack with a range increment of 10 feet.

**Vanishing Trick** Reiko can spend 1 *ki* point as a swift action to disappear for 1 round per level, as *invisibility*.

**Wakizashi** Reiko's blade has the deadly weapon quality. When delivering a coup de grace, she adds +4 to damage when calculating the DC of the Fortitude saving throw to see whether the target of the coup de grace dies from the attack. The bonus is not added to the actual damage of the coup de grace attack.

\* The effects of this ability have already been included in her stats.

Reiko's mother had no wish for her only daughter to follow the shadowed path of a ninja, but Reiko was pulled into it after their home was overrun. Burning her enemies' faces into her mind, Reiko has followed many trails to seek her revenge, a path that has brought her over the northern snows of the Crown of the World. Finding herself in strange new lands, Reiko has yet to pick up the trail again, but if there is one thing Reiko is, it is patient.
