

WIZARD (LEVEL 7)

A pragmatist, skeptic, and atheist, the self-taught wizard Ezren often comes across as gruff and curmudgeonly, but his mastery of the arcane arts make him a valued member of the Pathfinder Society.

SPECIAL ABILITIES

Arcane Bond If Ezren attempts to cast a spell without wielding his cane, he must make a concentration check (DC 20 + the spell's level) or lose the spell. Once per day, Ezren may use his cane to cast any single spell from his spellbook, even if it is not prepared, as if he had memorized it that morning.

Hand of the Apprentice Ezren can, as a standard action, make a single attack with his cane at a range of 30 feet, as the weapon flies from his hand to strike a foe before instantly returning to him. This attack is treated as a ranged attack with a thrown weapon, with a +5 bonus to hit. This ability cannot be used to perform a combat maneuver.

Spell Penetration Ezren adds a +2 bonus to all caster level checks to overcome spell resistance.

* The effects of this ability have already been calculated into Ezren's statistics.

Born to a successful spice merchant in one of Absalom's more affluent districts, Ezren's childhood was pleasantly safe. This changed when his father was charged with heresy by the church of Abadar, god of cities, law, merchants, and wealth. Ezren spent much of his adult life working to repair his father's ruined reputation, and when he discovered proof of his father's guilt and realized he'd wasted his life on a lie, he abandoned his family and joined the Pathfinder Society. While he is older than the average rookie Pathfinder, his younger traveling companions value his world experience and keen wit.
